

ADDRESS AND PHONE DIRECTORY · MARYLAND

Maryland Official Offices Directory 2026

Immigration, identity, tax, vital records, apostilles and Turkish paperwork, with addresses and phone numbers in one place.

SHORT ANSWER

Maryland's USCIS field office is named the **Baltimore Field Office**, but the address we hold is not in Baltimore City; it is in Baltimore **County**, in Halethorpe. There are two immigration courts, **Baltimore** and **Hyattsville**, both open to the public from 8:00 to 16:30. Apostilles come from one place, the Secretary of State in Annapolis, at **\$5.00 per document**, the lowest apostille fee in this series. Turkish nationals are served not by a consulate general but by the **consular section of the Embassy in Washington**.

Immigration

OFFICE	ADDRESS WE HOLD · NOTE
USCIS Baltimore Field Office	3701 Koppers Street, Halethorpe, MD 21227 · the address is in Baltimore County , not Baltimore City · needs verification, uscis.gov did not open during this research
USCIS Glenmont ASC (biometrics, nearest to the region)	Glenmont Plaza, 12331 Georgia Avenue, Suite C, Wheaton, MD 20906 · USCIS files the page under the name Glenmont while the address is in Wheaton · needs verification
USCIS Baltimore ASC (biometrics)	1323 Bedford Avenue, Pikesville, MD 21208 · another Baltimore County address · needs verification
Hours for those two centers	We could not determine them. Go at the time on your appointment notice
The asylum office that covers Maryland	We could not determine it. We publish no name here
USCIS Contact Center	800-375-5283 (TTY 800-767-1833) · processing times: egov.uscis.gov/processing-times
The ICE field office that covers Maryland	We could not determine it , so we publish no ICE address. The ICE Washington Field Office in Chantilly defines its own coverage as Washington DC and Virginia, which by its own wording does not include Maryland

TWO NAME TRAPS, AND A QUESTION WE COULD NOT ANSWER

- **The Baltimore Field Office is not in Baltimore City**, it is in Halethorpe. **Someone searching for the Glenmont ASC and someone searching for the Wheaton ASC are looking for the same place.** Put the address into the map, not the office name.
- **We cannot tell you from the official file which ZIP code belongs to which office.** The USCIS ZIP code assignment file was unreachable on every attempt during this research. Someone living near Rockville should **not assume** they belong to Baltimore; we also could not determine whether part of Maryland is assigned to the Washington Field Office, which is physically in Virginia.
- The right move: use the [USCIS office locator](#) and go to **the address on your own appointment notice**. **USCIS field offices do not take walk-ins.** To reschedule a biometrics appointment you request it through your USCIS online account at least 12 hours in advance.

Immigration courts

COURT	ADDRESS	PHONE · HOURS
Baltimore Immigration Court	George Fallon Federal Building, 31 Hopkins Plaza, Room 440, Baltimore, MD 21201	410-962-3092 · open to the public 8:00 to 16:30, filings 8:00 to 16:00
Hyattsville Immigration Court	3311 Toledo Road, Suite 105, Hyattsville, MD 20782 (Prince George's County)	301-955-3600 · open to the public 8:00 to 16:30, window filings 8:00 to 16:00
EOIR case status	acis.eoir.justice.gov or 1-800-898-7180	You need your A-number; the binding information is still your hearing notice

The court pages do not say which court handles detained and which handles non-detained cases, so we draw no distinction here. Your notice says which court your hearing is in; Baltimore and Hyattsville are about an hour apart, so going to the wrong courthouse is a real risk. Missing a hearing can produce an in absentia removal order.

Identity, tax and passports

AGENCY	ADDRESS · PHONE · NOTE
SSA general line	1-800-772-1213 · office locator: secure.ssa.gov/ICON . Applying for an SSN and replacing a lost card are both free
SSA, Rockville area	315 N Washington Street, Rockville, MD 20850 · (866) 838-5341 · weekdays 9:00 to 16:00 · we could not verify this from the official data file ; SSA hours changed several times in 2025 and 2026, so confirm through the locator before you go

AGENCY	ADDRESS · PHONE · NOTE
IRS ITIN appointment line	844-545-5640 · Maryland offices providing in-person ITIN document review: Annapolis, Baltimore, Frederick, Hagerstown, Landover, Rockville and Salisbury · your passport is checked at the appointment and handed back, so it need not be mailed to Texas · confirm addresses through the IRS office locator
MVA (licenses, vehicles)	410-768-7000 · headquarters: 6601 Ritchie Highway N.E., Glen Burnie, MD 21062 · appointment required

In Rockville both the Social Security office and the main post office are on North Washington Street, at 315 and 500. Passports are at number 500 and SSN business is at number 315; do not mix them up.

Vital records and marriage

TRANSACTION	WHERE · FEE · NOTE
Birth certificate	The state Vital Records division is the cheapest route: \$10.00 in person or by mail, \$13.00 online. County counters cost more (a birth certificate is \$25 in Montgomery County). If you have no U.S. photo ID, the state form offers a sworn statement route using two documents
Death certificate	From the state office; at the county office the first copy is \$18 and each further copy \$20
Marriage license	The Circuit Court clerk of the county where the ceremony will take place , not the county where you live. In Montgomery County the fee is \$55 and the license is valid for six months; there is no online application . The License Department is on the first floor of the North Tower, Room 1300, 240-777-9460; hours are 8:30 to 16:30 but marriage applications are taken only until 15:45. Only one party need appear, but that person must present the valid ID of the absent party
Courthouse ceremony	By appointment only, \$25, ten minutes, no witnesses required , up to 10 guests. You must already hold the license to book the ceremony. The minimum age is 18
Copy of a marriage record	In Montgomery County, for 1993 onward, from the Circuit Court License Department: \$5.50 certified, 50 cents uncertified. From the state Vital Records office, \$12.00 in person or by mail and \$13.00 online

Two official sources conflict on the marriage license, and we pass both along as they stand. **Waiting period:** the county page says the license must be obtained at least 48 hours before the ceremony, while the Maryland Judiciary tip sheet says no ceremony may take place until 6:00 a.m. on the second calendar day after the license is issued. **Social Security number:** the county page asks for the number of each party who has one, while the Judiciary sheet states flatly that both parties' numbers are required. The county also publishes no list of accepted identity documents, so we neither claim nor deny that a Turkish passport is accepted: call 240-777-9460 and ask about your own documents one by one.

Apostilles and property assessment

Apostilles on Maryland documents come from the **Certification Desk at the Office of the Secretary of State: 16 Francis Street, first floor, Annapolis, MD 21401**, at **\$5.00 per document**. Payment is by check or money order made out to the Secretary of State; a mailed request also needs a prepaid, self-addressed return envelope, and a prepaid courier envelope is accepted. On the checklist, do not forget to state **which country the documents are for**; without a country the request sits on hold. Maryland, like every state, certifies only signatures on documents issued in Maryland or notarized in Maryland: a document from another state must be apostilled in that state, and a federal document goes to the U.S. Department of State. The in-person counter is reported to run 9:00 to 13:00 at (410) 974-5521, but **we could not read that time or number from an official page**; Annapolis is about an hour from the Rockville area, so call and confirm before you set out.

THE STATE ASSESSES, THE COUNTY BILLS

- The State Department of Assessments and Taxation (**SDAT**) reassesses every property **once every three years**; more than 2 million property accounts are split into three groups and each group is reassessed in turn.
- Notices are mailed at the **end of December**. The 2026 cycle was Group 2; Group 3 notices are expected around the end of December 2026.
- **An increase in value is phased in equally over the following three years, while a decrease is applied in full at once.**
- **The appeal goes to the state, not the county**, and the window starts with the notice. The county only sets the rate and sends the bill; the state portion is \$0.1120 per \$100 of value everywhere. The county fiscal year begins July 1, the annual payment is due September 30, and on the semiannual schedule the second installment is due December 31.
- **The Homestead Tax Credit application goes to SDAT, not the county**; it is one-time and has no income test. The income-based program is a different one, the **Homeowners' Property Tax Credit**, filed each year on form HTC-1 with an October 1 deadline; file by April 15 and the credit comes off the first July bill. Montgomery County's Income Tax Offset Credit was **eliminated for the 2026 levy year**, so do not rely on older guides.
