

ADDRESS AND PHONE DIRECTORY · MICHIGAN

Michigan Official Offices Directory 2026

Immigration, the court, identity, taxes, vital records, passports and apostilles, with addresses, phone numbers and the reason for every gap.

SHORT ANSWER

The most useful feature of this directory is what it does not print. **There is no unverified address here for USCIS, for CBP or for Social Security**, because those agencies' Michigan addresses came up in the research only from old archive captures, and we do not publish an address we could not verify. The right source is already in your hands: **use the address on your own appointment notice**, which is USCIS's own instruction. There are two federal addresses we could read directly and they sit on the same street, a few blocks apart: the **Detroit Immigration Court** and the **ICE Detroit field office**. For everything else the direction is this: **vehicles at the state, vital records and marriage at the county, property tax at the city or township**.

Immigration: three rules and one address discipline

AGENCY	DETAIL · NOTE
USCIS field office	No address in this guide. USCIS removed office addresses from its live pages and replaced them with a locator no automated reader here can run, and the only Michigan address we hold comes from an old archive capture . Use the address on your interview or appointment notice , which is USCIS's own instruction. Locator: uscis.gov/about-us/find-uscis-office , account: my.uscis.gov
No walk-ins	You need an appointment to visit a field office. If you hold no notice, start from your USCIS account or the contact center rather than going to an office
No paying at the counter	Applicants, attorneys and representatives are not permitted to come to a field office in person to make a payment. The one published exception is Form I-131 for emergency advance parole: the appointment is made through the contact center and the filing is handed in
Your case can move to another office	USCIS can shift workload between offices, so you may receive a notice from an office that has never handled your case . That is not an error. But the agency says that even when workload moves, it will send you to the nearest application support center

AGENCY	DETAIL · NOTE
Biometrics (Application Support Center)	We could not establish which centers cover Michigan or their addresses, because USCIS publishes that only through the locator we could not run. Your biometrics appointment notice (Form I-797C) states the date, the time and the center's full address, and that document is more reliable than any directory. Take it with you; it is required at the door
ICE Enforcement and Removal Operations, Detroit field office	985 Michigan Avenue, Suite 207, Detroit, MI 48226 · (313) 771-6601 · area of responsibility Michigan and Ohio . If you have a regular reporting obligation to ICE, your office is always the one named on the notice you hold
I-94 record	i94.cbp.dhs.gov · Your permitted stay is the date on the I-94, not the expiry of the visa. If your name, date of birth or status is recorded wrongly, correct it early : this record is checked for licensing, SSN and employment applications
CBP Detroit Sector	The agency's own account is that the sector covers 863 miles of water boundary with Canada and more than 3,802 miles of lake and river shoreline, across four states: Illinois, Indiana, Michigan and Ohio . The Michigan stations are Detroit, Marysville, Sault Ste. Marie and Gibraltar , and the sector headquarters is not downtown but at Selfridge air base in Mount Clemens. We print no street address

WHY SOME ADDRESSES ARE MISSING

- **The rule is simple:** we do not publish a federal office address we could not verify. Going to the wrong building in this field costs not a day but sometimes an appointment cycle.
- **USCIS field office and the biometrics center:** the agency's site was closed to direct access in this research and the office locator could not be run. For the Michigan field office we hold only an old archive capture. **We also could not establish which ZIP codes the Michigan field office covers**, so there is no jurisdiction list in this guide.
- **Social Security offices:** we could not verify the Michigan offices. Get the address from the agency's own locator: secure.ssa.gov/ICON, with your ZIP code.
- **Michigan Secretary of State branches:** the office locator, the office hours page and the official office list could not be read by any route. **This guide carries no SOS branch address and no opening hours**, and no invented list either. Find your branch and its hours on **888-767-6424** or on the SOS site.
- **Michigan Taxpayer Assistance Centers that do in-person ITIN document verification:** not established. Check your own area on the [IRS list](#) and the [office locator](#).
- **If you are entering a federal building**, bring photo identification, expect a security screening, and note that some buildings will not let your phone in. Arrive at least half an hour before your appointment; the queue at the door does not wait for your appointment time. If you cannot attend, follow the instruction on the notice, because not attending can lead as far as a denial.

The Detroit Immigration Court

ITEM	VALUE
Address	477 Michigan Avenue, Suite 440, Detroit, MI 48226
Telephone	313-226-2603
Email	Detroit.Immigration.Court@usdoj.gov
Public hours	Monday to Thursday 08:00-16:30 , Friday 08:00-16:00 , except federal holidays
Filing window	08:00-16:00 every day. On Monday through Thursday it closes half an hour before the building does
Fax and electronic filing	Not accepted unless court staff or the judge specifically requests it. Unrequested submissions do not become part of the record and are discarded without notice to the sender
Security	A metal detector and bag check on every visit ; you may be asked to remove your shoes. No food or drink; cameras and recording devices are banned in the courtrooms. An attorney or accredited representative of record may use electronic devices where directly related to the business at hand
Parking and transport	Two-hour metered spaces nearby, surface lots adjacent in the \$5 to \$10 daily range, and a Detroit People Mover station across from the building on Cass Avenue
Coverage	We could not establish whether Michigan has a second immigration court , so we do not call this the only one. The Notice to Appear you hold states which court will hear your case

The fax refusal may be the most expensive detail in this directory: on a final day there is no electronic solution, and what you send is **discarded silently**, with no notice to you. A document is either handed in at the window or posted. To make the window on a final day, be there **before 16:00**, because the window closes half an hour before the building. And do not mix the address-change deadlines: **5 days** to notify the court, **10 days** to notify USCIS.

The two Michigan Avenue addresses people confuse

- **477 Michigan Avenue, Suite 440:** the immigration court, under the Department of Justice, inside an independent adjudicative structure.
- **477 Michigan Ave., 3rd floor:** the **Detroit Passport Agency**. Same building, a completely separate agency, different hours: Monday, Tuesday, Thursday and Friday **08:30-15:30**; Wednesday **10:00-15:30**. **By appointment only**, and only for people traveling internationally **within 14 calendar days** (28 days if you also need a foreign visa). Bring **printed proof of travel** plus the **\$60 expedite fee** on top of the application fees. The agency's own fraud warning: **no fee is charged to book an appointment; if you are asked to pay for one, treat it as a scam.**

- **985 Michigan Avenue, Suite 207:** the ICE Enforcement and Removal Operations field office. **Two different agencies on the same avenue, a few blocks apart.** Going to the ICE office for a hearing, or to the court for a reporting obligation, is a common mistake.
- **The practical takeaway:** before you set off, read the agency name, the street number and the floor or suite number together on the document you hold. All three look alike on the same street but they are different doors.

State, county and city: which counter handles what?

MATTER	WHO · NOTE
License, registration, plates, apostille	The state: Secretary of State. There is no county motor vehicle office and no county building has such a counter. Information Center 888-767-6424 (888-SOS-MICH), SOSWebMaster@Michigan.gov
Marriage license, birth and death certificates, trade name (DBA)	The county clerk. Washtenaw County: vital records at 200 N. Main Street, Suite 100, Ann Arbor , weekdays 08:30-16:00, 734-222-6720 ; the county clerk and passport acceptance facility in the same building at Suite 120, 734-222-6730
Immunization waiver, hearing and vision screening	The county health department. Washtenaw County Health Department, 555 Towner Street, Ypsilanti, MI 48198, 734-544-6700 . A non-medical waiver is issued in person and only after an education session; we could not confirm whether an appointment is needed , so call before you travel
Principal residence exemption (Form 2368) and assessment	The city or township assessor , not Lansing. Ann Arbor: 301 E. Huron St., 5th floor, 734.794.6530 , weekdays 08:00-17:00. If your address is in a township, the township hall is your office
Property tax collection and appeals	The city or township treasurer; appeals to the local Board of Review , then the Michigan Tax Tribunal (residential deadline July 31)
City services, potholes, street lights, trash	Ann Arbor has no 311. Requests go through A2 Fix It ; anything it does not cover goes to the Customer Service Center, 301 E. Huron Street, first floor, 734.794.6320 , customerservice@a2gov.org . Water 734.794.6333 , carts 734.994.7336 , rental housing unit (734) 794-6264 . We also could not find whether Washtenaw County runs a 311 service
Social Security	National line 1-800-772-1213 , weekdays 08:00-19:00; appointments are made, changed and canceled here. Ask for a Turkish interpreter and say so at the start of the call. For an office address, secure.ssa.gov/ICON
Auto insurance complaints	DIFS, 833-275-3437 (833-ASK-DIFS), weekdays 08:00-17:00

Vital records: two counters, one identity advantage and an appointment contradiction

ITEM	VALUE
County counter	Washtenaw County: 200 N. Main Street, Suite 100, Ann Arbor , weekdays 08:30-16:00, 734-222-6720 . Records of births that occurred in that county, since 1867
State counter	333 South Grand Avenue, Lansing, MI 48933 , customer service 517-335-8666 , phone lines weekdays 10:00-12:30 and 13:00-15:30 Eastern. The statewide file: births, deaths and marriages from 1867 , divorces from 1897
Timing	The state's published timing is 4 to 6 weeks by regular mail and 2 to 3 weeks expedited, plus postal time. For a baby born in Ann Arbor the county counter is the fast route
Identity: a Turkish passport alone is enough	The department's Tier 1 list begins with "U.S. or Foreign Passport" and one document is enough. The only limit: the passport must be current or expired less than one year ago
Who may request a birth record	Birth records less than a hundred years old go to a closed list: the person named on the record, a parent named on the record, a legal guardian (with a court order), the legal representative of the person on the record (a letter on letterhead plus photocopies of both parties' photo ID), an heir, and a court of competent jurisdiction
Death, marriage and divorce records are open	With a written request and the search fee, anyone may obtain a certified copy, and the department's order page states that no photo ID is required for those three. Birth records more than a hundred years old are open to anyone too
Fees	Basic search \$34.00 ; authenticated or apostilled for use abroad \$42.00 ; online vendor processing fee +\$14.00 ; expedited mail search +\$12.00 ; age 65 and over, one certified copy of your own birth record \$14.00
Michigan quirks	The department does not issue a wallet-size birth record or a genealogical copy , only a certified long form on security paper with a raised seal. Nor does the family file the death record: by statute the funeral director reports the death, the medical certification is completed within 48 hours , and the record is filed within 72 hours with the local registrar of the district where the death occurred

The first trap is real: the \$34 basic search fee **is not refundable and searches only a single year**. The department says it twice: the fee is non-refundable, and applying does not mean a record will be found. Give the wrong year and your \$34 buys a "record not found on file" letter. **The second trap is a contradiction, and we print it:** the department's **fees page** still carries a line left over from the pandemic saying that same-day walk-in service and appointment pick-up are not available. The same department's **order page**, which is newer, publishes an active in-person service: **by appointment only, Tuesdays and Thursdays 10:00-14:00**, pick-up on those same days, and **a drop box in the main lobby at 333 S. Grand Ave., weekdays 07:00-17:30**. **Go by the order page, not the stale pandemic line**, and note that at the county counter no appointment is needed to apply in person.

Passport acceptance facilities

- **Michigan has 287 acceptance facilities**, most of them post offices and some county and municipal offices. That figure comes from the State Department's own data file. Find a facility with your own ZIP code at iafdb.travel.state.gov. **There is no facility list in this guide**, because we could not verify the facilities' addresses and hours one by one.
- **Who goes to an acceptance facility**: first-time adult applicants, children under 16, anyone whose passport was lost, stolen or damaged, and anyone whose passport was issued before they turned 16 or is more than 15 years old. **A straightforward renewal goes by mail** and needs no facility.
- **Appointments**: usps.com/scheduler for post offices, a direct phone call for a county or municipal office.
- **On the Ann Arbor side the facility to try first** is the **Washtenaw County Clerk, 200 N Main Street, Suite 120, Ann Arbor, MI 48104, 734-222-6730**, weekdays **08:30-16:00**. The reason is practical: a long weekday window with no lunch closure, and the **vital records counter is in the same building at Suite 100**, so a birth certificate and a passport application can be done in one trip. **The two suite numbers differ**; do not merge them.
- **Fill the form in advance but do not sign it**: the signature is made in front of the acceptance agent. For new citizens: **the original of your citizenship document** is required with the application and returned when the transaction is finished; take a photocopy as well and do not leave the counter until you have confirmed it was returned.

Apostille and matters for Türkiye

Apostille or authentication fee	\$1.00 per document , the lowest apostille fee we have recorded in this series
How to pay	Money order or check payable to the State of Michigan
Mailing address	Michigan Department of State, Office of the Great Seal, 7064 Crowner Drive, Lansing, MI 48918
What goes in the envelope	The completed and signed authentication request form , the \$1-per-document fee, a self-addressed stamped return envelope , and the documents themselves, bearing the signature of an authorized official or a commissioned notary
In person	By appointment only, Mondays or Wednesdays only, 08:30 to 16:00 . If you cannot book online, call (888) 767-6424
A document in a foreign language	Records to be verified must be certified copies , and documents in foreign languages must also include a written English translation . Sending a Turkish-language document straight to the apostille counter does not work
Not available online	An apostille cannot be done over the internet and cannot be done at a self-service station

ITEM	VALUE
The shortcut for a vital record	Buy a record for use abroad pre-authenticated : the search fee is \$42.00 rather than \$34.00, and the application must name Türkiye . That turns two steps into one
