Addresses and phone numbers for immigration, ID, tax, vital records and Türkiye-related offices in one place.

SHORT ANSWER

Most of New York State's USCIS offices and immigration courts sit in the New York City area. There are four USCIS field offices: the New York City and Brooklyn offices at 26 Federal Plaza in Manhattan, the Queens office in Long Island City and the Long Island office in Holtsville. Three immigration courts are in Manhattan and two are near Buffalo. Birth certificates come from NYC's own Health Department inside the five boroughs, and from the state office in Albany elsewhere. An apostille costs \$10 from the New York Department of State (headquartered in Albany, with walk-in service in five cities). USCIS offices don't take walk-ins, so always go to the address on your notice.
