Newton Official Offices Directory 2026

Immigration, ID, tax, city services, schools, health, vital records, apostille and Türkiye-related business: addresses and phone numbers in one place.

SHORT ANSWER

All ten Newton ZIP codes (02458, 02459, 02460, 02461, 02462, 02464, 02465, 02466, 02467, 02468) belong to the USCIS **Boston Field Office**, not to Lawrence. The office is in the John F. Kennedy Federal Building at 15 New Sudbury Street, Room E-160, and there are no walk-ins. Fingerprints and photographs are taken at the far end of the metro area, in **Revere**. The good news: the Green Line D train runs from Newton Centre to Park Street in 37 minutes **with no transfer**, and the same train reaches Government Center one stop later.

We read the USCIS ZIP-code file dated August 6, 2026 line by line: all ten Newton ZIP codes, Nonantum and Chestnut Hill included, fall to the Boston field office and to Revere as the biometrics center. Because some cities in northern Middlesex County belong to Lawrence, people often assume Newton does too; it does not. Your appointment notice is the only rule that counts. The JFK building has no public parking. The easiest route from Newton is the Green Line D: 37 minutes from Newton Centre to Park Street, 40 from Newton Highlands, 44 from Waban and 48 from Riverside, with no transfer. The alternative is the commuter rail from Newtonville, West Newton or Auburndale to Back Bay (17 to 27 minutes) and the Orange Line from there.

THE CITY ORDINANCE AND THE STATE LAW: WHAT THEY PROTECT AND WHAT THEY DO NOT

- **The Newton Welcoming City ordinance** (February 21, 2017, ordinance A-102, article VII of chapter 2 of the city code) and the **mayor's executive order of February 5, 2026**: no city department or official, police included, detects, investigates, detains or continues to hold anyone solely on the belief that they are not lawfully present; the city does not hold anyone on an ICE detainer or an administrative federal document and does not hand anyone over to federal officers; release times and home or work addresses are not shared for immigration purposes; no department asks for or keeps citizenship or immigration status information unless the law requires it; city funds, facilities and personnel are not used to enforce federal civil immigration law. The executive order adds that no city property (buildings, parks, lots) may be used as a base for a civil immigration operation and that federal officers may not enter the non-public parts of city buildings without a judge-signed warrant.
- **The ordinance has its own exceptions.** Newton police may cooperate with ICE if the information the city holds shows an outstanding criminal warrant, a prior conviction for a serious violent crime, or a terrorism investigation, or where there is a law enforcement purpose unrelated to immigration. Section 2-405 also states that nothing prevents compliance with a duly issued judicial warrant, a subpoena or an immigration detainer; section 2-406 says status information may be shared as 8 U.S.C. 1373 allows; and section 2-407 says plainly that **no private right of action** is created.
- **The city's own words:** Newton's "Immigration Rights and Resources" page says Newton police have no authority to enforce federal civil immigration law, while federal immigration officers have full authority to enforce it anywhere including Newton, need no city approval to come, and cannot be obstructed by Newton police. The page also states it is not legal advice.
- **And what actually happened:** according to local reporting citing the mayor's office, on September 10, 2026 ICE officers detained one person outside the Newton District Court and stopped a second, an acquaintance, outside City Hall; Newton police responded to a 911 call and kept order. We read this from news sources rather than from a city page. The date matters: **G.L. c.221D**, which requires a judge-signed warrant for a civil arrest at a courthouse, takes effect on November 3, 2026, so the incident predates it.
- **G.L. c.147 s.64 (in force since September 4, 2026)** bars state and local police and court employees from asking about immigration status and from holding anyone solely on a detainer; **G.L. c.221D (November 3, 2026)** requires a judge-signed warrant at a courthouse. Neither binds ICE or CBP, and neither gives you a private right of action; the Attorney General enforces them. If you encounter ICE or CBP, talk to an immigration attorney first.
