North Carolina Official Offices Directory 2026

Immigration, identification, tax, vital records, passports, apostilles and Turkish matters, with addresses and phone numbers in one place.

SHORT ANSWER

There are **two USCIS field offices** in the state, Raleigh-Durham and Charlotte, and one of them doubles as the biometrics center. The name is misleading: the Raleigh-Durham facility is not physically in Raleigh but in **Morrisville**. There is **one** immigration court and it is in Charlotte. The single most useful fact in this directory is this: **the county register of deeds is at once the marriage license counter, the birth and death certificate counter and a U.S. passport acceptance facility**, so three errands finish in one building.

Immigration

OFFICE	ADDRESS · PHONE · NOTE
USCIS field offices	Two in the state: Raleigh-Durham and Charlotte. We do not publish their street addresses , because their official pages did not open for any tool in this research and we will not send you to the wrong building on an unverified address. Field offices do not take walk-ins
Which ZIP code belongs to which office	We could not verify it ; the official assignment could not be read. The address on your own appointment notice governs
Application Support Center (biometrics)	10954 Chapel Hill Road, Suite 101, Morrisville NC 27560 · military services weekdays 9 a.m. to 3 p.m. · about 12 miles west of downtown Raleigh, so allow for morning traffic
USCIS office locator and contact	egov.uscis.gov/office-locator · Contact Center 800-375-5283, TTY 800-767-1833
Charlotte Immigration Court	5701 Executive Center Drive, Suite 400, Charlotte NC 28212 · 704-817-6140 · open to the public weekdays 7:30 a.m. to 4 p.m., federal holidays excepted. Neither the court's own page nor the Justice Department's listing publishes the counties it covers ; the Notice to Appear in your hand names the court that will hear your case
Nearest courts outside the state	Atlanta (two courts), Stewart in Georgia and Memphis in Tennessee. We could not obtain the Virginia entries in readable form

OFFICE	ADDRESS · PHONE · NOTE
ICE and CBP offices	Not verified. The agency's site refused every request, so we name no office or address here. If you have a regular reporting duty, your contact is the office named in the reporting instructions you hold
I-94 record	i94.cbp.dhs.gov · Your period of stay is the date on the I-94, not the validity of the visa

For a biometrics appointment, **print** the notice and take it with you rather than relying on your phone; bring photo identification such as a passport, green card or employment authorization document; and if you cannot attend, request a reschedule by the method stated on the notice, because simply not going can lead to your case being administratively closed. Type the street address from the notice into your navigation, not the office name.

STATE LAW: TWO STATUTES, BOTH INCREASING COOPERATION

- **The source warning comes first.** The legislature's own site **refused every route we tried** in this research: statute texts, session law pages, section pages and the bill summary service. No backup archive was available. Every item below comes from the General Assembly's own bill summaries; **nobody read the enacted text.**
- **Session Law 2024-55** (House Bill 10) was vetoed on September 20, 2024 and the veto was overridden on November 20, 2024; the main provision took effect December 1, 2024. It requires a jail administrator who cannot determine the status of a prisoner charged with certain offenses to query federal immigration authorities, and where those authorities have issued **both a detainer and an administrative warrant** the prisoner is taken before a state judicial official who must order them held. The hold is limited to **48 hours**.
- **Session Law 2026-19** (Senate Bill 153) also became law over the governor's objections. The sources conflict on the date, so we print only **June 2026** and no day. It requires named state agencies to enter agreements with federal immigration authorities; requires the health and commerce departments, the housing finance agency and all local housing authorities to stop state-funded benefits; requires verification in unemployment claims; **removes a local government's immunity from tort liability** if it adopts a sanctuary ordinance; and bars state university institutions from adopting policies limiting federal enforcement.
- **What these statutes do not do:** the mechanism described is a **procedure inside a custodial facility**, not street enforcement or a traffic stop; a detainer alone is not enough to trigger the judicial official stage; and the hold is capped at 48 hours with release required if the federal agency does not act. **We could not read which certain offenses start the chain**, and we could not establish whether a non-complying sheriff faces any penalty, in either direction.
- **Not one line here describes a protection.** Both statutes move toward cooperation and both are statewide; we are not saying any county is safer than another, because we cannot. If you are detained, ask to speak to your attorney before discussing your status, and if you are a Turkish national ask that the consulate be notified.

Identification, tax and Social Security

OFFICE	ADDRESS · PHONE · NOTE
SSA national line	1-800-772-1213, weekdays. Appointments are booked, changed and canceled here. Ask for a Turkish interpreter and say so at the start of the call
SSA office locator	secure.ssa.gov/ICON · We publish no street address , because the agency's own office locator refused every request in this research. The state is administered from the agency's Atlanta region
When to go to SSA	Wait a few days after you arrive; immigration records take time to reach the system, and going too early wastes a day
IRS ITIN document verification	We could not establish which office provides it: the agency's state page carries only a locator link, with no office list and no service markers. Check apps.irs.gov/app/office-locator and call before you go , because ITIN verification is not offered everywhere and is by appointment only
NCDMV call center	(919) 715-7000 · weekdays 8 a.m. to 5 p.m. · free interpreter requests go here too · Raleigh East 4121 New Bern Ave., Raleigh West 3231 Avent Ferry Rd.
Combined registration and tax notice	Registration fee questions: NCDMV 919-814-1779 · vehicle values and appeals on tax values go to the county assessor, Wake County Tax Administration 919-856-5400, taxhelp@wakegov.com

Three errands, one building: the county register of deeds

SERVICE	WHERE · FEE
Passport acceptance	Wake County Register of Deeds, 300 South Salisbury Street, Suite 1700 , Raleigh NC 27601 · 919-856-5460 · weekdays 8:30 a.m. to 3 p.m. by appointment, walk-ins before 1 p.m.
Birth and death certificates	Same building, first floor · first copy \$24, each additional copy \$15 · the main office issues a certificate for any birth in the state since 1971 and any death in the state since 2021
Marriage license	The same office · \$60 · both parties in person, no appointment, weekdays 8:30 a.m. to 4 p.m. · valid 60 days, ceremony inside the state · a copy of a marriage certificate is \$10
Payment	Cash or credit card at the Justice Center; the four regional offices take cash only . The regional offices are in Wake Forest, Fuquay-Varina and Zebulon; we could not read the name of the fifth, in Raleigh, correctly from the page
The state vital records office	A \$24 state search fee including one certificate; ordering online adds a \$13.95 processing fee, so \$37.95 with regular mail; expedited service is \$15 more · in-person service is by appointment only , weekdays 8:30 a.m. to 3 p.m. with the last appointment at 2:30, booked online or on 919-733-3000 option 3

In practice: if your passport application needs a certified copy of your birth certificate, you can **collect it on the first floor and then go up to Suite 1700**. If you do that, go before 1 p.m., because walk-in passport acceptance stops then. Decide in advance how many copies you need: the first is \$24 and each later one \$15, and a school enrollment, a passport application, a consular transaction and an immigration file may each want their own certified copy. The identification asked for is, in the office's words, a driver license or a valid passport; **the page does not say whether a foreign passport is accepted** and we could not resolve that, so call before you go. We publish no mail-order fee because the two figures we read did not agree.

There are 159 acceptance facilities in the state; the ones above are in Wake County and neighboring Durham. The hours are as published in the State Department's own data file rather than on post office pages, and post office appointments are booked at usps.com/scheduler. An acceptance facility and a **passport agency** are different things: an agency is for urgent travel and requires

an appointment. **We could not verify whether there is a passport agency in the state or which one is nearest**, because the relevant State Department page was closed to access, so we name no city here.
