Pennsylvania State Official Offices Directory 2026

Addresses and phone numbers for immigration, ID, tax, vital records, apostilles and Türkiye-related offices in one place.

SHORT ANSWER

Pennsylvania has two USCIS field offices: Philadelphia (30 N. 41st Street) covers the eastern half of the state plus Delaware, and Pittsburgh (777 Penn Center Boulevard) covers the western half plus West Virginia. Biometrics appointments happen at centers in the same two cities. EOIR's current list shows the Philadelphia immigration court for Pennsylvania; if your notice names another location, go there. Apostilles, including for birth and marriage certificates, come from the PA Department of State in Harrisburg. Turkish citizens are served by the consulate in New York. USCIS offices don't take walk-ins, and the field office addresses come from older USCIS pages, so always go to the address on your notice.
