SHORT ANSWER

Pittsburgh's USCIS Field Office and biometrics center are inside the city, but there has been no immigration court here since 2022; cases are heard remotely or at the Philadelphia Immigration Court. PennDOT's Pittsburgh-area center addresses can change, so confirm on the official locator. For a routine U.S. passport, Allegheny County runs its own acceptance facility, while the Turkish Consulate General is in New York City. USCIS and PennDOT offices do not accept walk-ins; always go to the address on your notice.
