Plymouth Official Offices Directory 2026: Court, Passports and the County

There is no federal counter and no passport acceptance facility in this city. This guide tells you where to go, what time the door opens, and which addresses we deliberately do not print.

SHORT ANSWER

Start with the name: **there is no "Plymouth immigration court"**, and searching under the names of the metro's big cities will not find it either. Minnesota's only immigration court is the **Fort Snelling Immigration Court**; its name carries no city name and it has its own ZIP code. Two sentences matter for a suburban resident: **there is free parking on site, but the light rail stop at the door is on a line that does not come to this city**, so arriving without a car is a three-leg transfer. And the most expensive mistake up front: **the court does not docket faxes and electronic submissions it did not ask for, and discards them without notice to the sender**. On the passport side this city's own answer fits in one sentence: **there is no passport acceptance facility here**, the nearest ones are in neighboring municipalities, and one of them **opens at 7 a.m.** And **we publish no USCIS, ICE, CBP, SSA or IRS street address**.

Immigration court

ITEM	DETAIL
Court	Fort Snelling Immigration Court, the only immigration court in Minnesota
Address	Bishop Henry Whipple Federal Building, 1 Federal Drive, Suite 1850, Fort Snelling, MN 55111
Telephone	612-725-3765
Public hours and window filing	8 a.m. to 4 p.m., weekdays; closed on federal holidays
General email	FortSnelling.Immigration.Court@usdoj.gov
Asylum work permit clock requests	Asylum.Clock.Fort.Snelling@usdoj.gov. The request must include the name, the alien registration number and why the clock should be adjusted; the court states this mailbox is only for those requests
Parking	Free on site. Visitor and accessible parking are entered from the road in front of the building, through the guard station
Transit	The METRO Blue Line stop is next to the court, but that line does not come to this city ; you first have to reach downtown Minneapolis or the airport branch to board it. The court directs readers to the Metro Transit trip planner

Case lookup

acis.eoir.justice.gov (with your A number) · 1-800-898-7180**FIVE RULES FOR GOING TO COURT**

- **Do not type the court's name into a navigation app.** The address is not in this city's ZIP code, it has its own, 55111, and the name carries no municipality. Enter **1 Federal Drive** instead.
- **If you drive, parking is free,** and for a suburban resident that is the real convenience. Entry is through the guard station, so there is no circling the block looking for a space; just allow the time the gate takes.
- **Without a car this is a transfer, not a stop at the door.** The journey has three parts: the on-demand shuttle or an express route inside the city, a transfer in the core, then light rail to the court stop. For someone in one of the metro's big cities this is a single boarding; for you it is three legs, each with its own wait. **Allow at least an hour and a half before your hearing time.**
- **Do not send a fax.** This is the court's own statement: unless staff or the judge specifically requested it, faxes and electronic submissions are not accepted, and **unauthorized transmissions are not made part of the record and are discarded without consideration of the document and without notice to the sender.** Faxing a time-sensitive filing produces the same result as not filing it. **Filing in person is possible from a suburb but it is half a day,** so do not leave it to the last day.
- **Check on the morning of the hearing whether the court has closed.** The court lists severe weather among its closure reasons. On a snowy morning that is a question about both the roads and the car on your street, because the overnight parking ban here runs all year. **Security on every visit:** metal detector and bag screening, you may be asked to remove your shoes, no food or drink, and no cameras or recording devices in the courtrooms. **Hearings are open to the public** and no advance notice is needed; seeing a courtroom before your first hearing is a drive from here but it is doable. **A remote hearing is a possibility, not a right:** that is **the judge's decision.**

The agencies whose addresses we do not print, and why

- **USCIS:** the agency's pages were closed to automated access this round and the archive record was unreachable. **We do not publish an office address from an old archive.** What you do need to know is the office types: a **field office** conducts interviews, an **application support center** takes fingerprints and a photograph, and they are not the same place. You do not choose the support center; which one you attend is stated in the **I-797C notice**, and in a suburb the center is usually not in your own municipality. **We could not verify which center covers which counties,** so read the address on the notice and plan the trip around it. Appointments are free and the Contact Center is **1-800-375-5283**; intermediary sites charging for an appointment are a scam. And do not confuse two sentences: **"we publish no address" is not the same as "there is no office."**
- **ICE and CBP:** no office address, telephone number or office name appears here. Confirm check-in locations on the agency's own check-in page, and if you hold an appointment notice, **the address on that notice governs.** The detainee locator line is **1-888-351-4024.** The location and hours of the office that corrects errors made at entry **could not be verified** in this metro; in this series those offices are often inside an international airport terminal, **but we did not verify that here and we do not print an assumption**

as an address. Read the list from the agency's own page and **write first, travel second:** some of these offices are open only a few hours a week, and driving in from a suburb to find a closed door costs a day.

- **Social Security Administration:** we could not confirm a single Minnesota office from an official source this round. Which office serves you is set by **your ZIP code**; ssa.gov/locator, general line 1-800-772-1213. There are also cases where you do not have to apply: if you requested the number in your immigrant visa application, or checked the SSN box on your work permit application when adjusting status, the card arrives by mail. Bring your current immigration document and a valid passport; **photocopies and notarized copies are not accepted.**
- **IRS:** we could not verify the list of Minnesota offices doing ITIN document review and **we publish no IRS office address.** Confirm the office and the appointment through the [IRS office locator](#); the appointment line is 844-545-5640. Since you live in a suburb, assume the nearest office is not in Plymouth.
- **County human services:** we could not verify the addresses of the offices that take health and benefit applications either, because the county site was closed to automated access this round. Apply by phone and book an appointment: the Minnesota Department of Human Services line is **1-800-657-3672**, MNsure is **1-855-366-7873**. Because you live in a suburb, ask up front whether the process runs in person, by phone or online.
- **Winter closures are a real risk here:** federal offices can close in a snowstorm or another emergency, and the agencies publish closures on their own notice pages. Check that page on the morning of a January or February appointment and leave early; the corridor from the western suburbs into the core is busy at the morning peak.

Passports: none in this city, and the six nearest are in neighboring municipalities

The State Department's own data file lists **125 acceptance facilities** in the state across 112 cities, **and none of them is in Plymouth.** The facilities below are the nearest ones and each sits in a different municipality, so each has its own arrangements.

FACILITY	ADDRESS	PHONE AND HOURS
City of Wayzata Motor Vehicle Dept	600 Rice St E, Wayzata, MN 55391	952-404-5320; Monday to Thursday 7 a.m. to 4 p.m. , closed 11 a.m. to 1 p.m.; Friday 7 a.m. to 10:30 a.m. An appointment is preferred and walk-ins are accepted case by case
USPO Hamel	105 Hamel Rd., Hamel, MN 55340	763-478-6741; weekdays 9 a.m. to 3:45 p.m., closed noon to 1:45 p.m.
USPO Wayzata	229 Minnetonka Ave S, Wayzata, MN 55391	952-475-6809; weekdays 10 a.m. to 4 p.m., closed noon to 1 p.m.
City of Maple Grove	12800 Arbor Lakes Parkway, Maple Grove, MN 55369	763-494-5988; weekdays 8 a.m. to 3:30 p.m., closed 12:30 p.m. to 1 p.m. Call to schedule; photocopy service on site

FACILITY	ADDRESS	PHONE AND HOURS
City of Robbinsdale	4100 Lakeview Ave N, Robbinsdale, MN 55422	763-535-8133; weekdays 8 a.m. to 3 p.m. Photocopy service available ; call for availability
Crystal Retail Station	5550 West Broadway, Crystal, MN 55428	763-536-0493; weekdays 9 a.m. to 3:30 p.m., closed 1 p.m. to 2 p.m.
Hopkins Post Office	910 1st Street South, Hopkins, MN 55343	952-933-4880; weekdays 10 a.m. to 4 p.m., closed 2 p.m. to 3 p.m.; Saturday 10 a.m. to noon

- **The 7 a.m. opening is the most valuable line in this table.** The counter opens at seven from Monday to Thursday, so this is an errand you can finish before work. But **it closes over the middle of the day** and Friday is mornings only; do not turn up at midday.
- **There is also a Saturday option**, from 10 a.m. to noon. That is the second route for someone who cannot take a weekday off.
- **Whether a facility does photocopies saves a day.** Two of the municipal counters do them on site; if a copy of your document turns out to be missing it is solved there, while at a facility without copying you have to drive somewhere else.
- **"The nearest facility" and "the facility that is open today and can give me an appointment" are two different questions**, and in a suburb that distinction is sharper, because every facility is in a different municipality. We noted above which one prefers an appointment and which takes walk-ins case by case.
- **Which transactions must be in person:** first-time adult applicants, children under 16, anyone whose passport was lost, stolen or damaged, and anyone whose passport was issued before they turned 16 or is more than 15 years old. **Renewals go by mail** and need no acceptance facility, which is a real convenience if you live here.
- **Get the full list from the search tool** and find the nearest one by ZIP code in the [State Department's acceptance facility search](#). We took the hours above from the agency's own data file and counted every phone number digit by digit, but the file does contain malformed rows elsewhere; **do not set off on the strength of a single row, call first.**
- **Fees:** adult passport book **\$130**, passport card **\$30**, book and card together **\$160**, book for a child under 16 **\$100**, card for a child under 16 **\$15**, expedited service **\$60** extra, plus an acceptance fee of **\$35**. You make two separate payments and some counters do not take cards, so ask before you go.

URGENT TRAVEL: THE STATE'S ONLY AGENCY IS IN THE METRO CORE, AND THERE IS A CONFLICT OVER ITS HOURS

- **Who qualifies:** international travel within **14 calendar days**, or a foreign visa needed within **28 calendar days**. Life-or-death emergencies are a separate category. **Do not take non-urgent business to the agency**; routine and expedited applications go by mail through the national passport center.
- **The building:** 212 3rd Ave S, Minneapolis, MN 55401, **by appointment only**, weekdays, closed on federal holidays. From here that is a trip into the core: either drive and park downtown, or take an express route in and walk.
- **We print a conflict as it stands:** two official sources give two different opening times for the agency, one **8 a.m.** and the other **8:30 a.m.**; both give 3 p.m. for closing. **We are not picking a side.** We also could not read this address and these hours from the agency's own live page; we took them through the search index, and the index shows the page has not been updated for more than a year. **Rely on the time in your appointment confirmation and call 877-487-2778 before you set off.**
- **Booking is free.** The system checks eligibility against your travel details, verifies your email and phone with a code, asks you to **confirm within 15 minutes** of choosing a slot, and allows up to seven people from one household in a single booking. **Sites that charge you to book are a scam**, and the agency says it may not honor appointments booked through third parties.
- **On the day:** arrive about 15 minutes early. Government-issued ID is required to enter the building, and bring a printed appointment confirmation, printed proof of travel, the application form, the supporting documents with **originals and photocopies**, a passport photo, and a card to pay with.
- **This section is about a U.S. passport.** A Turkish passport is not renewed at a post office; that errand runs through the Consulate General in Chicago and is covered in our consulate guide.

County and city: which errand at which door

OFFICE	DETAIL
City switchboard and City Hall	763-509-5000 · 3400 Plymouth Boulevard. The City Council is a mayor and six members, two elected at large and four from the city's four wards ; regular meetings are at 7 p.m. on the second and fourth Tuesday and are livestreamed. Study sessions are open to the public but take no public comment
Reporting a problem	There is no 311 in this city and none county-wide. The channel is the City's own reporting system myPlymouth plus the report-an-issue page on its site; the City points people there as its primary route for getting comments and inquiries to the appropriate staff member
Water and sewer	The City's own service; to open an account 763-509-5333 , faults 763-509-5950 on weekdays and 952-258-5321 after hours. Accounts are not opened in a renter's name , only for residential property owners; billing is every other month
Garbage	The City provides no garbage service. You choose and set up your own service with a licensed hauler; licenses are renewed annually by the City Council, which is why no hauler is named here

OFFICE	DETAIL
Parking and enforcement	763-509-5160. Parking enforcement runs through Plymouth Police; we could not confirm which body a citation is paid to, so read it off the ticket
Library	Plymouth Library , in the Hennepin County Library system, at 15700 36th Ave. N. Cards are free and no number, citizenship or status appears in the published requirements. Cards are not mailed, and the first physical checkout requires a visit to a service desk with proof of address
Marriage license and vital records	From the county, through the Hennepin County Service Centers ; general line 612-348-8240 , weekdays 8 a.m. to 4:30 p.m. The procedure has two stages: online pre-application first, then in person , and both applicants are asked to attend. Three constraints: appointments cannot be made more than four weeks ahead , walk-ins are limited , and it is one service per appointment
Birth and death certificates	According to the Minnesota Department of Health, all 87 counties operate on the same system and serve you regardless of where you live. For someone without an accepted photo ID there is a statement of identification route; fill the form in beforehand and take it with you. We print no fee , because no approved schedule for the county could be confirmed
Homestead classification	The application goes to the Hennepin County assessor's office; the deadline is December 31, an ITIN is accepted , and the number of a non-occupant spouse is also required
Apostille and the business filing counter	Minnesota Secretary of State , First National Bank Building, 332 Minnesota Street, Suite N201, Saint Paul, MN 55101 · (651) 296-2803 or 1-877-551-6767, 9 a.m. to 4 p.m. · apostille.oss@state.mn.us · \$5 per apostille · in person by appointment , and appointments open 14 days ahead. At the far end of the metro

THREE CONSTRAINTS OF THE COUNTY SERVICE CENTER MODEL, AND A FEE CONFLICT WE ARE PRINTING

- **Appointments cannot be made more than four weeks ahead**, and the county gives staffing shortages as the reason. So you cannot set the appointment to the wedding date; build the calendar forward and **book on the day the window opens**.
- **One service per appointment**. A second errand means a second appointment, so do not plan to get a license and collect a birth certificate on the same day. For a reader whose family is flying in, that is a planning item.
- **Walk-in service is limited**. It is possible, but do not hang your day on it.
- **Two official sources give two different figures for the fee and we are not picking a side**: the text of the state statute shows the license at **\$125** and the reduced rate with an education program at **\$50**; the county's page in October 2026 shows **\$115** and **\$40**. **One of the two has to change**. When you book, **ask the fee on the phone** and ask which payment methods are accepted. That three official sources give three different answers statewide, and that the statute is inconsistent with itself, is set out in [the marriage section of the state guide](#).
- **We do not print the document list**: the county asks for identification such as a driver license, state ID or birth certificate, and says the **full list arrives on the confirmation screen or by email after the online pre-application**. Complete the pre-application and take the list from there.
- **Source caveat**: the county's marriage license and service center pages were not directly reachable and this was read from the search index, so we give the procedural detail with **moderate confidence**. Confirm by phone before you go.
